

## CONCLUSION AND SUGGESTION

In this chapter, the researcher, the researcher draws some conclusions and suggestions about this research based on the findings that has been discussed previously.

### 5.1 Conclusions

Based on the result of data analysis that have been discussed in the previous chapter, the researcher made some conclusions of the third year students' ability to write simple present sentence by using transitive verb at the English Department Bung Hatta University. The researcher made three conclusions of this study as follows:

1. The students' ability of the third year students at the English Department Bung Hatta University to write affirmative sentences by using transitive verb in simple present sentence, was indicated 28 students (93.33 %) had excellent ability, 1 student (3.33 %) had good ability, 1 student (3.33 %) had moderate ability and 0 had low ability, it was proved by the data.
2. The students' ability of the third year students at the English Department Bung Hatta University to write negative sentences by using transitive verb in simple present sentence, was indicated had 28 students (93.33 %) had excellent ability, 2 students (6.67 %) had moderate ability, it was proved by the data.
3. The students' ability of the third year students at the English Department Bung Hatta University to write interrogative sentences by using transitive verb in simple present sentence, was indicated 29 students (96.67%) had excellent ability, 1 student (3.33 %) had good ability, 0 had moderate ability and 0 had low ability, it was proved by the data.

## 5.2 Suggestions

Based on the conclusion above, the researcher gives suggestions to the students, and lecturers.

1. To the students, the third year students who have excellent ability and good ability in writing simple present sentence using transitive verb are suggested to maintain their ability.
2. To the students, the third year students who have moderate ability and low ability in writing simple present sentence using transitive verb are suggested to do more exercises.
3. To the lecturers, the researcher suggests lecturers to give exercise about simple present sentence using transitive verb and give more explanations about simple present tense.
