Manuscript No.: IJASE-2022-187
Title: Synthesis of precipitated calcium carbonate with the addition of aloe vera extract under different reaction temperatures

Dear Prof. Reni Desmiarti,

Thank you for submitting your manuscript, Synthesis of precipitated calcium carbonate with the addition of aloe vera extract under different reaction temperatures, for review in International Journal of Applied Science and Engineering (IJASE). Your manuscript has been assigned to the Editor in the related field who will invite reviewers for your article. You can track the review status of your manuscript by logging into <https://gigvvy.com/journals/ijase>. If you have any question, please do not hesitate to contact us (ijase@cyut.edu.tw).

Sincerely yours,

IJASE <ijase@gm.cyut.edu.tw> to me, ijase Mon, Nov 14, 2022, 2:46 PM

Dear Prof. Reni Desmiarti,

Manuscript ID IJASE-2022-187 entitled "Synthesis of precipitated calcium carbonate with the addition of aloe vera extract under different reaction temperatures" which you submitted to International Journal of Applied Science and Engineering (IJASE), has been reviewed. Please log into <https://www.ijase.cyut.edu.tw> for the reviewer's comments.

According to the reviewing comments, major changes and re-review process are needed for your manuscript. Please revise your manuscript according to these comments. In addition, please address the reviewer's comments properly and accurately. When submitting a revised manuscript, please also

- outline each change made (point by point), AND/OR
- provide a suitable rebuttal to each reviewer's comment if not addressed, AND
- submit a marked copy of your revised manuscript highlighted the changes you have made (ex: with RED color).

Please submit your revised manuscript in three weeks. To submit your revision, log into IJASE website (<https://www.ijase.cyut.edu.tw>) and your manuscript number has been in pending work list. Please upload your revision (in Microsoft Word) and your responses or rebuttal to the comments made by the reviewer(s).

IJASE <ijase@gm.cyut.edu.tw> to me Tue, Dec 27, 2022, 8:55 AM

Dear Prof. Reni Desmiarti,

Thank you for submitting your manuscript to International Journal of Applied Science and Engineering (IJASE). After careful examination of the comments from our reviewers and the Editor, I am pleased to inform you that your Manuscript ID IJASE-2022-187 entitled "Synthesis of precipitated calcium carbonate with the addition of aloe vera extract under different reaction temperatures" has been accepted for publication in IJASE.

Please log in to online submission system (<https://ejournal.cyut.edu.tw/journal/ijase/ijaseSubmission>) and upload the revised version in Word file which will be used for proofing. Please note that each manuscript will be subjected to final checks on format, plagiarism and English proficiency after the acceptance letter is received. IJASE reserves the right to publish this manuscript until all possible ethical and technical issues are resolved.

All articles published in IJASE are Open Access and use the Creative Commons Attribution 4.0 License (CC BY 4.0) from October 1st, 2020 onward. International Journal of Applied Science and Engineering – Article processing charge External → Inbox x

Y.-T. Tang <t5190152@gm.cyut.edu.tw> to me Fri, Dec 30, 2022, 1:49 PM

Dear Dr. Reni Desmiarti,

Thank you for submitting your manuscript to International Journal of Applied Science and Engineering (IJASE). Your manuscript (Manuscript ID IJASE-2022-187) entitled "Synthesis of precipitated calcium carbonate with the addition of aloe vera extract under different reaction temperatures" has been accepted for publication.

IJASE is a non-for-profit Open Access journal publishes original research articles in the fields of applied science and engineering. IJASE is primarily funded by Chaoyang University of Technology and also charges Article Processing Charge (APC) publication fee once an article is accepted for publication. Our charge per published article is \$200 USD (NT \$6000).

Please log in to Article Processing Charge system (<https://ejournal.cyut.edu.tw/journal/ijase/apc> | Article Processing Charge ([gijgyvy.com](https://ejournal.cyut.edu.tw/journal/ijase/apc))) and follow the instruction to complete the process. When APC payment is confirmed, your manuscript will be sent to production center for publication.

If there is any question, please don't hesitate to contact us at [<mailto:ijase@cyut.edu.tw> | [ijase@cyut.edu.tw](https://ejournal.cyut.edu.tw)] anytime.

Thank you for your fine contribution. We look forward to your continuing support and contributions to the science and engineering research community.

Sincerely yours,
Hsi-Hsien Yang, Editor-in-Chief

Dear Dr. Reni Desmiarti,

The attached file is the edited version of your manuscript IJASE-2022-187.

Please check the RED word parts in the edited version.
The RED word parts are described as follows:

1. The IJASE will replace time unit "hour, minute, second" with "h, min, s".

If you make any correction, please mark those part as BLUE WORDS.

In addition, please check the correction for the context in the edited version and make any correction, if there is any, as BLUE WORDS.

Please return the file in three days or as soon as possible. We will print the issue when we receive the replies from all authors.

Best Regards,

International Journal of Applied Science and Engineering
College of Science and Engineering, Chaoyang University of Technology
