6. The students eleventh-grade students' speaking ability in terms of fluency as front officer in hotel accommodation department at SMKN 9 Padang categorized into high.

5.2 Suggestions

Based on the conclusions above The researcher gave several suggestions as follows :

1. For Theacher, For Teacher, the researcher suggests that teachers focus on components that have low ability especially grammar. Teachers should focus on providing learning materials related to grammar in English.
2. For students, the researcher suggests the students should more actively practiced speaking english inside and outside of class. Then students were also advised to always train themselves in the use of language specifically in the use of grammar, because it was their ability in grammar was low.
3. The researcher suggested for next researcher to investigate how the students difficulties speaking ability as front officers.
