## ACKNOWLEDGEMENT

First and foremost, I would like to express my praise and gratitude to Allah SWT, and the Prophet Muhammad SAW, for the blessing, gift of knowledge, and perseverance that God has overwhelm me in my entire life. Furthermore, I would like to present my sincere gratitude to my supervisors, Mam Femmy Dahlan, S.S., M.Hum. and Mam Dra. Mariati, M.Hum., for their patience, advices, and guidance from the beginning of this research to the end. My greatest appreciation also for the examiners, Sir Dr. Elfiondri, M.Hum. and Sir Al Azwad Fauzan, S.S., M.Pd., for their advice, suggestions, and contribution for the better improvement of this research.

I would like to present the most sincere thanks to the CEO of my household, my parents, Nurdiani S.Pd and Arizal, and also my brother Phandu Rizaldi who always there for me in the best and the worst of all. Thanks for the prayers, trust and motivation. I would like to express my deepest apology for disappointing them with mistakes down to the worst.

I would like to express my gratitude to the siblings-from-another-blood in English Department '16; Pardian, Fadhil, Izu, Chika, Dita, Icil, Ana, Jada, Jayen, Ridha, Fajri, Hani, Dinda, Aan, Gege, Baihaqi, and Sandri. We've been through a lot, thank you for the impressive time we spent together, through all of joys and sorrows, and for the supports that you guys all give to me, *ngoghey*. It may sound strange, however, the writer also wants to express gratitude to *Super Junior* and *oppa* and *eonni* who have entertained through the drama, unexpectedly being the motivation to relieve stress in making this thesis.

Finally, I would like to thank all people who have contribution in helping me finishing this research. People whom I cannot mention one by one to the completion of this thesis. This thesis is far from perfect, however I hope that it will be useful not only for the researcher, but also for the readers. For this reason, necessary thoughts, suggestions, and criticis are welcomed.
