ACKNOWLEDGEMENT

First and foremost, I would like to express my praise and gratitude to Allah SWT, the Almighty God, for the blessing, gift of knowledge, and perseverance that God has bestowed upon me in my entire life. Then, I also want to present my sincere gratitude to my thesis supervisors, Femmy Dahlan, S.S., M.Hum., and Al Azwad Fauzan, S.S., M.Pd., for their patience, advice, and guidance from the beginning of this research until the completion of it. My greatest appreciation also goes to the examiners, Dr. Elfiondri, M.Hum. and Dra. Mariati, M.Hum. for their advice, suggestions, and contribution in the improvement of this research.

I would like to thank my family, especially my parents, Mr. Lizahar and Mrs. Burhayati who will always support and trust me. Thank you for your patience, prayer, and motivation. Then for my sisters, Zurmanita and Desmawira my brother, Juliadi And Afriandra thank you for all the support and encouragement. Not forgetting also for my beloved niece Yasmine Shafira Salsa.

Special thanks to my other supervisors Zada, Rezi, and Fadhil, thanks for your time and dedication to help and support me. Also to my beloved best friend ever in English Department '16, the Avengers: Jayen, Ridha, Chika, Hani, Dinda, Ana, Pricil, Paran, Abeng, Gege, Baihaqi, Pardian, Sandri, Fajri, and Dita. Thank you for the wonderful years together, through all of the joys and sorrows, and for the supports, you all give to me until this day.

Finally, I would like to thank all people who have contributed to helping me finish this research. People whom I forgot and cannot mention one by one and people who are important to the completion of this thesis. This thesis is far from

perfect, but I hope that it will be useful not only for the researcher but also for the readers. For this reason, constructive thoughts, suggestions, and critics are welcomed.
