### **ABSTRACT**

In general, we know that emotions can be analyzed from facial expressions. The study of expressing emotions is always evolving and has many different points of view. The many variations of emotion research have inspired the writer to analyze the emotional expressions found in *Love Hurts Quotes*, to analyze what emotions are found in "Love Hurts Quotes", how the emotions are conveyed both literally and non-literally, and the function of emotions such as what is expressed. This analysis aims to find the basic emotions and their sub-classification expressed and to describe how the basic emotions are conveyed in terms of the word in the *Love Hurts Quotes*. In this study, the writer used the method qualitative method for research analysis. The results of this study indicate that from the 53 data analyzed, the writer can classify the findings of emotional expression, namely 4 emotions of love, 4 emotions of Joy, 32 emotions of Anger, 10 emotions of Sadness, and 3 emotions of fear and 7 figurative languages found. This shows that the quotes from *Love Hurt Quotes* do not only show literal meaning but also the deep meaning or intention expressed by the authors that can give inspiration or motivation.
