Abstract

Based on the Guidelines of the Social Security Administering Body 1 of 2014 the Implementation of Health Insurance to Facilitate Health Services. Thanks to the BPJS health program, every community can benefit from health services. H. Hanafie Muaro Bungo Hospital is a health service provider that has established legal protection for the rights of BPJS Health participants to obtain health insurance. There are still obstacles in the provision of health services. However, several efforts have also been made, such as B. information if needed about the knowledge and understanding of BPJS participants.
